

Local Groups Aid Sister Kenny Drive

Theta Nu chapter, Beta Sigma Phi, and Women of the Moose of Torrance enrolled this week as participants in the Sister Kenny Foundation's May campaign throughout the county to raise \$450,000—the minimum need for this next year to maintain the facilities at the Sister Kenny Memorial Hospital and Rehabilitation Center in El Monte. Jan Nincevic, 634 Sartori, and Mrs. Noel Peacock, 1563 W. 224th St., respectively, were appointed Sister Kenny chairman for these groups.

As Kenny chairmen, Miss Nincevic and Mrs. Peacock will direct the membership's group efforts in designated areas or integrate the group with other volunteer workers in the community, as the success of the campaign is directly dependent upon the number of volunteer workers who are devoting their time and efforts to it.

"The efforts of just one block worker may provide days of care for some stricken human being," Mrs. Peacock emphasized.

Enrolled organizations will work toward Gold Candle and Silver Candle awards to be presented at the fourth annual club participation awards breakfast in June. For recognition, clubs must have appointed a Sister Kenny chairman and have enrolled active volunteer workers within their club to participate in the door-to-door solicitation of funds during the campaign. A Gold Candle pin will also be awarded to the individual whose work has been the most outstanding in behalf of the Kenny program throughout the year.
